

# KALTURA MEETING SOLUTION

Powering Collaborative Meeting Experiences for the Modern Classroom & Workplace

Kaltura Meeting Solution is a meeting experience platform that allows you to easily launch engaging collaboration spaces for any meeting size and type. From 1:1 meetings to screen sharing, team collaboration, virtual classrooms, distance education, learning and training, customer meetings and presentations, and webinars all the way to live townhalls, Kaltura powers any meeting of any size.

## BE THERE IN A CLICK

Create easy-to-join virtual collaboration spaces where participants interact face-to-face from anywhere, in any configuration (1:1 or multi-participants), and on any device. No downloads or installations required.

## CREATE COLLABORATION SPACES THAT ARE HERE TO STAY

Kaltura's meeting spaces are persistent rooms. Meeting owners can prepare their rooms ahead of time, customize and brand them, leave, come back, and continue where they left off.

## ENGAGE PARTICIPANTS WITH INTERACTIVE TOOLS

Fun and collaborative tools keep colleagues and students focused and actively participating. Breakout rooms allow for smaller group interactions.

## INTEGRATE MEETINGS INTO YOUR EXISTING SYSTEMS

As part of the Kaltura platform, your meetings are easily integrated into your learning management, social business systems, and other platforms and workflows.

## EXTEND THE SHELF LIFE OF YOUR MEETING

Kaltura's end-to-end solution supports the entire meeting lifecycle, from real-time to VOD. Get editing, enrichment, and analytics tools that make content easy to reuse anywhere.
